

Autumn Term in Reception

Communication, Language and Literacy

We will be:

- Using puppets to tell stories.
- Practising writing our names.
- Reading stories in the book corner.

Reading should begin a few weeks into the term.

Reading books will be sent home on Thursdays and should be returned on Mondays with reading diaries.

Reading for pleasure books will also come home and can be changed on a Monday.

Reading diaries should be filled in at the end of each day to show what reading your child has been doing at home.

Mathematical Development

In Maths we will be looking at:

- Measure and pattern
- Matching, sorting and comparing
- Numbers 1-5
- Circles and triangles
- Shapes with 4 sides

Health, Social and Emotional Development

In PSHE we will consider and discuss:

- How we are created and loved by God
- Celebrating differences

Some of the books we are reading...

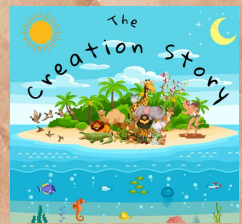

RE

In RE We will spend some time looking at our school values and our class Saint – Saint Anthony.

We will then learn about:

- Creation
- Covenants
- Prophecy
- Promises

Discovery of the world

We will learn:

- All about ourselves including how we have changed since we were a baby
- About remembrance and why we remember those who have served and helped us.

We will be learning about:

- How our body works and the name of some body parts
- The seasons and weather
- Materials and their properties

We will be learning about:

- Where we live and what landmarks are near our house
- The weather

Computing

Computing will be taught across all areas of learning. We will be:

- Learning how to take a photo on an iPad
- Programming Bee Bots

Physical Development

Gross Motor

In PE Our units will be:

- Fundamentals
- Introduction to PE
- Gymnastics

Our PE days are: Monday and Wednesday

Fine Motor

We will also be developing our fine motor skills by working in the malleable area, using tweezers, threading and cutting.

Imaginative and Creative Development

Art skills we will be:

- Creating drawings and rubbings with wax crayons
- Exploring colour mixing
- Doing observational drawings
- Mark making using different materials
- Opportunities for junk modelling

Music skill we will be exploring:

- Different types of celebration music
- The sounds of different instruments
